

## *Quick Details*

FLIGHT is designed to meet a much needed gap—a support and encouragement for parents. It's a time when you can be uplifted, a time when you can meet like-minded parents and share what works and what doesn't. It's a time to let go and BREATHE!

You don't need to add one more thing to your plate, but you do need to take care of yourself mentally, emotionally, and physically. This is a time for YOU!

Visit us as we embark on a new ministry designed with you in mind. Join us for FLIGHT's initial meeting and get involved.

## For Parents

As parents we strive to equip our children with everything they need to spread their wings and fly. *FLIGHT* is a group of individuals representing families who are endeavoring to do that. We seek to offer godly encouragement to one another and to share inspirations and insights into the unique joys and struggles we face. We want to provide a safe landing zone for all of our children, while teaching them to soar as the unique individuals God created them to be. Sometimes we parents also need a safe landing zone.

Some of our children have special needs, and often we find ourselves discouraged, wondering how to adequately assist them in spreading their wings, afraid they will fail or, more accurately, afraid we will have failed them. This group will stand with you and provide you with a much needed outlet and the encouragement you need to go the distance.

*FLIGHT* is a new program and ministry of Destiny Outreach Ministries. As such, we believe that Jesus Christ is central to our parenting efforts & that we and our children were created in the image of God with a purpose in mind.

It's free, it's purposeful, it's fun, and it's all designed with families in mind!

*"Be like the bird that, pausing  
in her flight awhile on boughs  
too slight,  
Feels them give way beneath  
her, and yet sings,  
knowing that she hath wings."  
- Victor Hugo*

*FLIGHT* is not counseling, and is not led by a counselor. We are simply a group of people who can relate and who care, with a desire to network with other like-minded people.

## For Their Kids

We want our kids to fly, and to do so they must learn to build meaningful relationships within their families and with their peers. We want them to experience the joys of abundant life in a safe, nurturing environment.

As *FLIGHT* develops, it's our prayer to provide not only some fun "Time-outs" for mom, but to assist in facilitating the building of these crucial relationships for our children.

While we don't want any parent to not come due to lack of childcare, it is not provided at *Destiny* and your child must be able to be on his/her own if you choose to bring them to parent meetings. We will be scheduling family times, but we encourage you to come by yourself, mom, for a much needed break for yourself.
